14.3. Sponsor reserves the right to change the prize win rates or odds/RTP (Return to Player) of any of the Sweepstakes Games at any time in Sponsor's sole discretion, but not during the operation of a specific Game or spin. An Entrant can see the actual and any amended details of prize win rates and odds/RTP within the individual interface of each Game. It is an Entrant's responsibility to check the prize win rate on each occasion before they participate. The likelihood of getting a particular outcome are not based on an Entrant's previous participation, time of participation or the level of participation e.g. if you win a prize, your chances of winning the next day would remain the same. RTP reflects the theoretical return across a large number of players over an extended period of time. RTP will vary on a game-by-game basis. The higher the RTP % the more likely it is that a User may become eligible to claim a prize.

15. Verification and confirmation of potential winners

15.1. Potential Sweepstakes winners are subject to verification by Sponsor or Sponsor's representative (in any manner it may choose) and the decisions of Sponsor are final and binding in all matters related to the sweepstakes. An Entrant is not a winner of any prize, even if the online screen indicates they are, unless and until the Entrant's eligibility and the potential winning play has been verified and the Entrant has complied with these sweepstakes rules and been notified that verification is complete. Sponsor is not required to accept screenshots or other purported evidence of winning, and Sponsor's internal validation process shall solely control.

15.2. Potential prize winners must comply with these Sweepstakes Rules and winning is contingent upon fulfilling all requirements set by Sponsor in Sponsor's sole discretion.

15.3. A potential prize winner may be required to sign and return to Sponsor, an affidavit/declaration of eligibility, and liability/publicity release (except where prohibited) in-order to claim his/her prize (if applicable).

15.4. If the potential winner cannot be contacted or fails to properly execute and return the affidavit/declaration of eligibility and liability/publicity release within the required time period (if applicable), fails to comply with these Sweepstakes Rules or if the prize or prize notification is returned as undeliverable, that potential winner forfeits the prize.

If you provide account details which relate to a bank account held jointly between you and another person, you accept that any prizes will be paid into that joint account, and they may require you to supply additional documentation relating to the person who jointly holds the bank account with you so that we may identify and verify the joint account holder.

16.7. We can only process one prize redemption request once every forty-eight (48) hours. We will process redemption requests as soon as practicable.

16.8. When you choose to redeem for real money you acknowledge and agree that it may take up to ten (10) days to process the payment into our nominated payment mechanism.

16.12. Lady Lucka Sweeps Coins have no value whatsoever and only qualify a User to seek redemption of a Prize as set forth herein. If an Entrant requests closure of his/her Account without seeking eligible redemptions or the Account holds Lady Lucka Sweeps Coins in a

number less than the minimum (25) Lady Lucka Sweeps Coins required for redemption of any Prize (as detailed above), User is not entitled to any Prize. All Lady Lucka Sweeps Coins in a User Account at the time of termination for any reason are cancelled and forfeited.

16.13. In the event one or more of an Entrant's purchases on the Site is subject to a charge back, all pending redemptions will be cancelled, no further prize redemptions will be allowed, and User's Account may be suspended or terminated in the sole discretion of Sponsor.

17. Entry Conditions and Release

17.1. By participating, each Entrant agrees to:
